## Greetings AC/SAS Alumni!

### AC Welcomes Marjory Herold '97

On February 11, the Student Diversity Council welcomed Marjory Herold '97 to speak to the AC community virtually, in honor of Black History Month. Marjory, an attorney in New York City, is a graduate of Princeton University and Georgetown Law. She was the only black student in her graduating class, and one of only a handful of students of color enrolled at AC at the time. Marjory spoke eloquently about the need for "privilege and empathy to go hand in hand". She referred to her years at AC warmly and affectionately and as setting the "foundation" for her future success. Her parents, Haitian immigrants living in Somerville, prioritized a Catholic education and enrolled her and her two brothers at Arlington Catholic. She grew up knowing that education would set her on the path to success. She also mentioned several times what a positive experience she had at 16 Medford Street, and how grateful she was for the experience. She hopes that other students realize how fortunate they are to attend school in such a positive environment with rigorous academics. Several of the faculty who taught her were instrumental in inviting her to speak to the student body. Her talk to our students, faculty and staff was inspiring, motivating and uplifting, and we are grateful for her commitment to our School and students! Thank you, Marjory, for giving us hope in these times and for inspiring our students

with your honesty and words of wisdom!

## Campus Ministry Happenings

For the past three weeks, students at Arlington Catholic have been collecting products to support the non-profit Her Drive. The collection was started by Junior, Erin Leahy, who asked for Campus Ministry's help with the project. Their mission is to support individuals that lack access to basic hygiene necessities. Specifically, the organization collects women's basic garments, general hygiene products, menstrual care products and vanity items. All items collected are donated to local homeless and women's shelters.
