ASSIGNMENT
After reading the novel The Screwtape Letters by C.S. Lewis, answer the following questions in a 6-8 sentence paragraph each. These paragraphs should be an example of your best work, be thoughtful, well organized, and in final draft form (typed, 12 font, double spaced and printed for your first day of class).

1. Pay attention to Lewis’s use of irony in the letters. Do you think it is an effective way to get readers thinking about the moral issues that the letters present?

2. Why does Lewis present his vision of Hell as a bureaucracy? Is it, in your judgment, a good metaphor? Why or why not?

3. Of all the letters, which one do you find the most interesting? Discuss the letter in detail, cite specific quotes, compare it to other letters, and connect it to your own life (feel free to use “I”).

4. Research a bit about the life of C.S. Lewis. What do you think drove him to write a book like this and what letters within the book may specifically speak to his own struggles in life?
